Tranquility

Why Keynote address
Who US Supreme Court Justice Samuel Alito
What Notre Dame Religious Liberty Summit
Where Palazzo Colonna, Roma, Italia
When July 28, 2022
Report Representative, Notre Dame Law School

"Religious liberty promotes domestic tranquility."

When? Never, not once, completely aspirational!

Who **bestows** liberty and who **takes** liberties?

In his Speech ! Speech ! Justice Alito implicitly makes a proposition where he *fails* to address a very *critical* (deduced) element which creates an internal *inconsistency*, oopsies! such that:

X requires Y & X requires ! Y

The proposition fails logically;

- **but** still **has** real-world **consequences**
- *And, there will be some consequences!*
- *We the People Don'T need no stink'in logic*
 ✓ **MAGA ! (shiver)**

Only a **sovereign** state *bestows* liberty, **everyone** *takes* liberties.

A **sovereign** state is powerless against outsiders taking liberties.

Against an **unsovereign** *organized religion*, the *sovereign* state has few options, except to subordinate *sovereignty* (most have done so in their histories) **or** to repress *organized Religion*, (UN 2022 Report on China).

Justified Religious Retaliation

Justice Alito puts *sovereignty* in *peril* and opens *sovereign* States to *justified religious retaliation*.

- equal treatment under the law...
 ✓ Sharia law? Hope not...
- Vatican City is a **sovereign organized religion**

What if the *organized Religion*, (Islam) is **unsovereign** and seeks **complete power**?

- World-wide **complete power**?
- Are *suicide-tolerant* Jihadists?
- Hmm, that sounds *bad*
 ✓ Good intentions
 ✓ Unintended consequences
 ✓ Gets you every time

Oh, by-the-way...

How's Rushdie holding up?

SCENE:

Overheard recently at a playground;
 or, at a Devos chalet chat? or at a Gaza strip (club)?
 or at a BB-ott-Q in Texas? or at DeSatan's beach party?
 Best overheard in the voice of Don'T sputterin' 50¢ words.

SOUND!

ACTION!

HE SAID:

"Our gang's **sovereignty** trumps your gang's **sovereignty** any day of the week!

CUT !

That is the deduced *critical* element in a nutshell.

SOUND!

ACTION!

HE SAID:

"You're (*sic*) followers are goin' to be doin' t'ings **our way** or **our gang** will *drone* over to your *casa* and pull out a zillion cans of *whoop-ass*®, and **5** fully booked commercial airliners with under-age *suicidal* girls piloting!"

CUT!

THAT'S A WRAP!

Speech ! Speech !

Justice Alito gave *the* keynote address in which he claimed that *religious liberty*, and by extension *the outwardly religious*, are being "*attacked*" and are subject to "*persecution*". Systemic? Pervasive? Targeted? Hmm...

- How unfortunate
 ✓ Though only partially true...
- Justice Alito did not refer to a *specific* religion
 ✓ Religious Liberty for *all*!
 ✓ Islam vs *sovereign* nation states?
- It is *inferred*, heavenly implied, has been ongoing
 ✓ for a *really really loooong* time
 - throughout human history
 - it should be *stopped*
 ✓ *something* should be done about it
 - Now!
- It is *inferred* ;--) Justice Alito
 ✓ Has *the right stuff*
 ✓ This is *the right time*
 ✓ Only **he** can point out the *injustice* of it all

Public Political Statement

One strike is *bad*; two *really* puts the pressure on...

Justice Alito took time out of a very busy *judicial* schedule (remember - SCOTUS?, work?) and by *just(ice) attending* such a public and widely reported-on *religious* conclave, he made a *very blatant* public **political** statement !

The **months** of logistics, Covid. Oh my !

- Even if Justice Alito didn't say a word (*Hah!*)
- *Keynote*, none-the-less

And the Speech ! Speech ! while non-sectarian, topically was *very* sectual - indeed, if not in fact.

- Where was the conclave held? What religion?

On the other hand, it **all** could be inter-*organized-religious* **political** back-stabbing !

- Each seeking **complete power** at any cost
 - ✓ ...*IMHO, just say'in, messenger, etc.*

Does Justice Alito have specific instances of *attacks* or *persecution* in mind? Many instances? Hmm...

- ...where either party is **not** an *organized Religion*, **nor** of a *sovereign state* that has declaimed a non-religious status? (UN 2022 Report on China)
 - ✓ That leaves only religious family feuds, No?
 - ✓ Just(ice) like *domestic violence*, Cops hate it
- *Religious Liberty* doom and gloom may be *bullshit!*
 - ✓ Distractingly *fake news*
 - ✓ Ignoring the obvious, *mostly (exclusively?)*
 - Opposite sects vs sects, horrible
 - *Sorry, ongoing investigation*
 - *No comment. Next question please*
 - ✓ Again, *IMHO, just say'in, no offense.*
- It could be *blatant lib baiting*
 - ✓ And largely forgotten only a few weeks
 - after Speech ! Speech !, how sad :- (
- Who can compete with the **FBI** raiding Don'T?
 - ✓ Espionage Act ! Not **even** The *Pope*
 - ✓ Sorry, *Charlie* you are out to sea
 - ✓ Your ship has sailed
 - Who believes the big lie?
 - Who hasn't spoken up?
 - Just(ice) do'in my job?
- **Complete power?** World-wide? Anyone?
 - ✓ Suicidal Jihadists? Oh, My!

True Beliebers, its always the same story.

Ah HA!

Dramatic lightbulb appears overhead, and a *halo* too

Don'T Must Form a Church

Henry (*behead or divorce her*) the VIII, part 2

The Latter Day Trumpons

Melania "I've got a Trump card" Trump sues for divorce!

Justice (*hmm, Cardinal?*) Alito has *your* back, **bro!**

- *L. Ron Trumpardon* presiding **unpack that**
- *Perfect ending* **dramatic** hand rubbing
- *Fig leaf it* **protected** against *religious persecution*

A classic Trumpy move, turning a loss into a get out of jail free card

A Dream - A King

Can we, can we all get along?" (1991)

Is Justice Alito ignorant of putting *sovereignty* at risk?

- ✓ Then don't kill the messenger

Is there willful ignorance here?

- ✓ Is he complicit and unconcerned?
- ✓ A co-conspirator, normalizing violence?
- ✓ A Christian Nationalist? Subordinate away!

Separation of Church and State, *ahh*, to the point

- ✓ it's *not* in the Constitution, only *interpreted*

Violating *sovereignty* of Nation States

- ✓ and the *sovereignty* of the United States

Imposing the Justices' will on *sovereign* States

- ✓ via Federal Jurisprudence

Hasn't the US government *always* been Religious

- ✓ Christian Nationalists?
- ✓ from day one, though *not* constitutionally!

The final analysis does not change, only accountability

Justice Alito may not be another Trump

He may be another Pence, *only* enabling; a well-**placed** *brauer*

Ultima Verba, zwei

Everyone, get out a *nice* piece of paper - maybe *letterhead*, and a *really nice* pen - maybe one that was gifted to you by your Auntie.

We can wait, no hurry. Ready? *Great !*

Write and initial your definition of **conscience**.

Write and initial your definition of **recuse**.

Solemnly present the signed paper to your spouse, your parents, your siblings, your children, your grandchildren, your priest and apologize, sincerely.

Maybe they will forgive and forget, maybe? Hope !

Word !
