Tranquility

Why Keynote address
Who US Supreme Court Justice Samuel Alito
What Notre Dame Religious Liberty Summit
Where Palazzo Colonna, Roma, Italia
When July 28, 2022
Report Representative, Notre Dame Law School

"Religious liberty promotes domestic tranquility."

When? Never, not once, completely aspirational!

Who **bestows** liberty and who **takes** liberties?

In his Speech ! Speech ! Justice Alito implicitly makes a proposition where he *fails* to address a very *critical* (deduced) element which creates an internal *inconsistency*, oopsies! such that:

X requires Y & X requires ! Y

The proposition fails logically,

- **but still has** real-world **consequence**
- *We the People Don'T need no stink'in logic*
- *And, there will be some consequences!*
- ✓ **MAGA ! (shiver)**

Only **sovereign** states may *bestow* liberty, **everyone** takes liberties.

A **sovereign** state is powerless against outsiders taking liberties.

Against an **unsovereign** *organized religion*, the *sovereign* state has few options, except to subordinate *sovereignty* (most have done so in their histories) **or** to repress *organized religion* (China 2022).

Justice Alito puts *sovereignty* in *peril* and opens a *sovereign* State to *justified* retaliation.

- equal treatment under the law...
- ✓ Sharia law? Let us hope not...

What if the *organized religion* (Islam) is **unsovereign** and seeks **complete power**?

- World-wide?
- Are *suicide-tolerant* Jihadists?
- Hmmm, that sounds *bad*.
- ✓ Good intentions
- ✓ Unintended consequences
- ✓ Gets you every time

Oh, by-the-way...

How's Rushdie holding up?

SCENE:

Overheard recently at a playground
 or, at a Devos chalet chat? or at a Gaza strip (club)?
 or at a BB-ott-Q in Texas? or at DeSatan's beach party?
 Best overheard in the voice of Don'T Sputtterin' 50¢ words.

SOUND!

ACTION!

HE SAID:

"Our gang's **sovereignty** trumps your gang's **sovereignty** any day of the week!

CUT !

That is the deduced *critical* element in a nutshell.

SOUND!

ACTION!

HE SAID:

"You're (*sic*) followers are goin' to be doin' t'ings **our way** or **our gang** will *drone* over to your *casa* and pull out a zillion cans of *whoop-ass*®, and **5** fully booked commercial airliners with under-age *suicidal* girls piloting!

CUT!

THAT'S A WRAP!

Speech ! Speech !

Justice Alito gave *the* keynote address in which he claimed that *religious liberty*, and by extension *the outwardly religious*, are being "*attacked*" and are subject to "*persecution*". Systemic? Pervasive? Targeted? Hmm...

- How unfortunate
- ✓ Though only partially true...
- Justice Alito did not refer to a *specific* religion
- ✓ Religious Liberty for *all*!
- ✓ Islam vs *sovereign* nation states?
- It is *inferred*, heavenly implied, has been ongoing
- ✓ for a *really really loooong* time
 - throughout human history
 - it should be *stopped*
- ✓ *something* should be done about it
 - Now!
- It is *inferred* ;--) Justice Alito
- ✓ Has *the right stuff*
- ✓ This is *the right time*
- ✓ Only **he** can point out the *injustice* of it all

Public Political Statement

One strike is *bad*; two *really* puts the pressure on...

Justice Alito took time out of a very busy *judicial* schedule (remember - SCOTUS?, work?) and by *just(ice) attending* such a public and widely reported-on *religious* conclave, he made a *very blatant* public **political** statement !

The **months** of logistics, Covid. Oh my !

- Even if Justice Alito didn't say a word (*Hah!*)
- *Keynote*, none-the-less

And the Speech ! Speech ! while non-sectarian and all, topically was *very* sectual - indeed, if not in fact.

On the other hand, it **all** could be just inter-organized-religion *political* back-stabbing !

- Seeking at any cost **complete power**
 - ✓ ...IMHO, *just say'in, etc.*

Does Justice Alito have specific instances of *attacks* or *persecution* in mind? Many instances? Hmm...

- Where either party is **not** an *organized religion* **nor** of a *sovereign state* that has declaimed a non-religious status?
 - ✓ That leaves opposite sects vs sects, No?
 - ✓ Just(ice) like *domestic violence*, Cops hate it
- The *Religious Liberty* doom and gloom may be *bullshit!!!* Distracting *fake news*, ignoring the obvious, it may *mostly (exclusively?)*
 - ✓ Be opposite sects vs sects
 - ✓ Sorry, ongoing investigation, no comment,
 - Next question please
 - ✓ Again, IMHO, just say'in, no offense.
- It could be *blatant* propaganda used to **bait** the liberals, or so I heard,
 - ✓ And largely forgotten
 - only a few weeks after Speech ! Speech !
 - I have *not* heard, *nor* read anything
 - ✓ Bueller? Bueller? - nothing but *crickets*
- Who can compete with the **FBI** raiding Don'T?
 - ✓ Espionage Act ! Not **even** The *Pope*
 - ✓ Sorry, *Charlie* you are out to sea
 - ✓ Your ship has sailed
 - Who voted for Don'T?
 - Who believes the big lie?
 - Who hasn't spoken up?
 - Just(ice) do'in my job?
 - ✓ Anyone? **Complete power**?
 - *Jihadists*?

Ah HA!

Dramatic lightbulb appears overhead, and a *halo* too

Don'T Must Form a Church

Just like Henry (*behead or divorce her*) the VIII.

The Latter Day Trumpons

Justice (*Cardinal?*) Alito has *your* back, **bro!**

- *L. Ron Trumardon* presiding unpack *that*
- *Perfect ending* *dramatic* hand rubbing
- *Fig leaf it* protected by *religious persecution*

A Dream - a King

Can we, can we all get along?" (1991)

Is Justice Alito ignorant of putting *sovereignty* at risk?

- ✓ Then don't kill the messenger

Is there willful ignorance here?

- ✓ Is he complicit and unconcerned?
- ✓ A co-conspirator, normalizing violence?
- ✓ A Christian Nationalist?

Separation of Church and State, ahh, to the point

- ✓ it's *not* in the Constitution, only interpreted

Violating *sovereignty* of Nation States

- ✓ and the sovereignty of the United States

Imposing the Justices' will on *sovereign* States

- ✓ via Federal Jurisprudence

Hasn't the US government *always* been Religious

- ✓ Christian Nationalists?
- ✓ from day one, though *not* constitutionally!

The final analysis does not change, only accountability

Justice Alito may not be another Trump

He may be another Pence, *only* enabling; a well-placed pawn

Ultima Verba, zwei

Everyone, get out a *niice* piece of paper - maybe *letterhead*, and a *really nice* pen - maybe one that was gifted to you by your Auntie.

We can wait, no hurry. Ready? *Great !*

Write and initial your definition of **conscience**.

Write and initial your definition of **recuse**.

Solemnly present the signed paper to your spouse, your parents, your siblings, your children, your grandchildren, your priest and apologize, sincerely

Maybe they will forgive and forget, maybe? Hope!

Word !
